Company Profile :

Zeus is an eLearning company based in Mumbai (India), established in 2001. The company provides end-to-end eLearning solutions and specialize in the innovative use of technology. Our applications have been used on a large scale by hundreds of thousands of learners. Zeus has designed and developed products for educational institutes, publishing houses, and corporate bodies.

The Company is organising a **joint campus placement program** for the **final year students of Computer Science & Information Technology & M.C.A. from 2014 batch** from different engineering colleges of Gujarat. It is **planned** for 28th & 29th September 2013 at **L.D. Engineering College, Ahmedabad.**

The eligibility criteria is **B.E./B.Tech/MCA in Information Technology or Computer Science / and Engineering** with **60%** or more aggregate up to the preceding semesters. It would be nice of you to provide us the number of students available for campus placement at the earliest. I will provide the detailed offer letter & confirmation of the program.
