MESSAGES

MEFGI is defined by the capacity building measures for the young professionals to enable them to participate in the economic process and contribute to the national development. We also take due care to ensure their holistic development in terms of right ethical orientation, cultural awareness and active citizenship.

At MEFGI we strive to produce quality human resources in alignment with the industry needs, who can essentially add value to the organization wherein they join post completing their academic programs with

I thank you very much for the kind support extended by you in the last years through the wonderful journey of MEFGI. We hope to further accelerate the momentum gained by increasing the interactions and the activities. For similar kind of support wherein we can interact and grow together, I extend a warm welcome to you to visit our campus

KETAN H. MARWADI- CHAIRMAN

MEFGI is a community of students and staff dedicated to bring out the best in all its members. Our aim is to provide the finest possible environment for teaching, learning and research.

At MEFGI we envision a time when youth from different regions is engaged in all sectors of technology and management where issues affecting young people are debated and decisions made.

At MEFGI we create a network of youth empowered with skills and knowledge, to be able to contribute to healthy economy and growth of the society and nation

I take this opportunity to thank very much for the support extended by all those esteemed organizations since inception and extend a cordial invitation to you to participate in our Campus Placement Program to consider our students graduating in June/July 2015.

IITENDRA A. CHANDARANA - VICE CHAIRMAN

The form of education we need today is not just to create an informed set of individuals; instead develop individuals- with character, commitment, conviction, courtesy and courage, who are cultured, who can shoulder the responsibility of taking the nation forward and making it stronger than ever before. A true broad based education prepares students for life, without losing their areas of specialization and competence. I am quite confident, at MEFGI, you would find candidates meeting your requirements in practically every field of interest to your organization.

DR. Y.P. KOSTA - DIRECTOR-TECHNICAL CAMPUS

Mentoring a student continuously is a way of life at the MEFGI so that the student can not only pick up tips on how to make a living but also learn how to live. The teaching=learning process at this campus aims to create an equal responsibility for the Learner as well as the teacher.

Education isn't what you learn, it's what you do with what you learn. Develop a passion for learning. Aristotle said, "The roots of Education are bitter, but the fruits are sweet".

PART-I

ABOUT US

MEFGI is the primary organ registered under Marwadi Education Foundation Trust. The primary objective is to contribute to the growth & development of professional technical education for the economic growth of this country. Our technical campus is one of its first kind integrated technical institutions offering various programs (Engineering & Technology, Computer Application & Management) and a multitude of courses in the state of Gujarat

ORGANOGRAM - THREE TIER STRUCTURE

lucing quality

MEFGI has a unique three layer learning structure to ensure that we are producing quality human resources who understand the value of giving back to the society.

Layer 1: Primary Institutions

In this layer, we have colleges providing programs in Engineering, Management Studies and Computer Applications

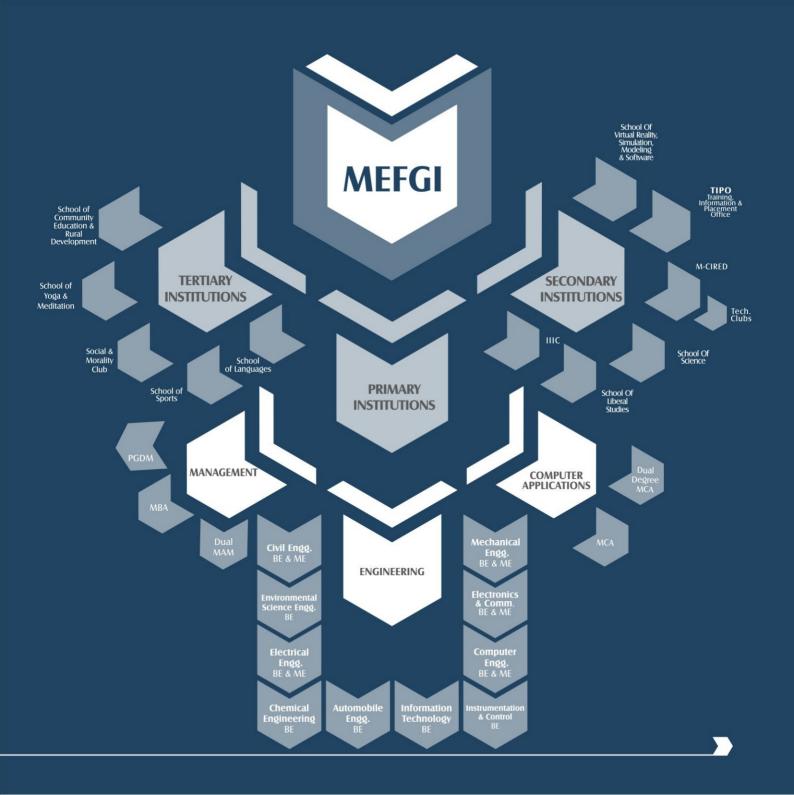

Layer 2: Secondary Institutions

To improve employability of the students, to bring innovation and entrepreneurship and to further strengthen the research capabilities of the group, we have created secondary institutions

Layer 3: Tertiary Institutions

To make the students more competent by imparting life skills, leadership skills and to foster the spirit of respect towards the society we have created tertiary institutions.

PRIMARY INSTITUTIONS: COMPETENCIES

Infrastructure:

- > 25 Acres, Wi-Fi enabled, 240 MBPS internet leaseline, 3 computer centres (1000 computers)
- > Best and comparable to any of the leading educational institutes of India.
- > Sophisticated laboratories in each department having industry grade equipment. Some labs like Mechatronics lab is at an outlay of Rs 3 Crore and another with Bosch at an outlay of Rs 1 Crore are offering testing solutions not only to the faculty and students, but to the professionals from outside also. Geo Technical Lab and Highway Lab are some of the new additions to the existing facilities
- > State of the art residential facilities on the campus for boys, girls and faculty adequately sufficed by gyms, playing grounds, a virtual lake and recreation areas.
- > Seminar hall with a capacity of 600 students, an auditorium with a capacity of 1200 people, 6 interview rooms for TIPO

Faculty:

- The Director and Deans have a minimum experience of 18 years and have come from premium institutions like ISRO, Stanford, IIT, Silicon Valley, and DAIICT and so on.
- > 15% of the faculty has Master's Degree from foreign universities.
- > We conduct yearly campus drives for faculty selection with top 20 Institutes of the country

Corporate Connect and Secondary Institutions

In a short span, MEFGI has established very strong corporate relations as we understand that there has to be synchronization between our needs and the demands of the corporate.

TERTIARY INSTITUTIONS

PART-II

PLACEMENT OFFICE

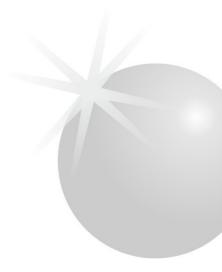

MEFGI has an independent vertical that plays the pivotal role of connecting two important ends, vis-avis school and industry. It establishes a bridge between schools and institution (input-end, at the entry level) and institution and industry (output-end, after graduation).

Today corporate needs thinking, flexible and proactive workers who are accustomed to collaborate with co-workers to achieve set deliverables and are professionals to the core. To support such a vision we have devised a structure with the sole aim of overall development of the students getting out of the campus. The structure has also envisaged the personal needs of these students who should learn the value of giving back to society.

CAPABILITIES

Placement Office is well-equipped with the latest technologies and huge Infrastructure. TIPO is having 20 rooms for training, pre-placement talks, seminars, workshops, counselling, meetings; group discussions, and personal interviews. There is a separate student facility centre where students can get the information, access company databases and apply for the jobs. TIPO comprises of a high powered committed team of 21 senior trainers and placement professionals, some of whom have seen 7 cycles of placement.

FUNCTIONS OF PLACEMENT OFFICE

Following activities are organized and conducted by TIPO for students, faculties, admin staff and adopted communities:

- > Networking with prominent members of various industries to understand the need of the industry and train the students accordingly.
- > Provide placement opportunities to the students in the companies across India according to their choice and in alignment with the pre determined career path.
- > Frequently organizes in-plant training, visits, executive training and induction programs for technical and management cadre.
- > Strategic Developmental Programs for working professionals, schools (teachers and students), students and associated communities.
- > Post the training need analysis, conducts comprehensive training programs throughout the year for up skilling the students in following areas:

Communication Skills

Personality Development

Aptitude

Computational Skills

Organizational Citizen Behaviour

Domain Specific Knowledge

- > Entrepreneurship, innovation and managerial skilling programs.
- > Rural and community development outreach programs.
- Hearing engaging speakers from our outstanding base of alumni and professors, as well as from outside illustrious Corporate personalities participating in specialized or wide-interest round-table discussions and forums
- > Interacting with other top Engineering and Management colleges across India for mutual sharing of knowledge

PLACEMENT PROCESS

Receiving Request

DISTINGUISHED ACHIEVEMENTS OF TIPO

MEFGI TIPO has an amicable track record of placements in reputed companies from different strata. The companies that came to campus offered a plethora of profiles. By providing an excellent mix of highly qualified faculty, unmatched course content and extra trainings on soft-skills, we ensure that our students are well prepared to step into this volatile corporate world and occupy positions of stature. Training Information and Placement Office of MEFGI has worked very aggressively for the campus placements of students not only from our own college but from other colleges also. Some of the salient features of the placements are:

- > More than 140 companies provided placement opportunities to the students during the academic year 2013-14 for the students passing out in the current year.
- > Total companies to offer placements to the students since inception has crossed 200 this year
- MEFGI has become the first choice of top corporate from all industries and from diverse geographical locations.
- Highest package offered to the students of B.E. in excess of 5.0 Lacs per annum and 6 Lacs per annum to the students of MBA
- > We helped students from other colleges to get placed in companies.
- > Equal opportunities were provided to the male and female students.
- > Indian Army one of the regular visitors to MEFGI campus for hiring and creating awareness.

MEFGI DIFFERENCE: BETTER EQUIPPED STUDENTS

The above exhibit explains that an average student of MEFGI has got better skills than her/his counterpart in any other college. This is attributed to the fact that Communication Skills & Life Skills training is an essential part of the coursework. This enables us to train the students keeping in view the industry needs

STUDENT'S INTEREST AREAS

The count of students passing out in 2015 in ME, MBA, PGDM, MCA and BE is 1036, spread over different disciplines. These students have been provided special skill development programs also, which include soft skills, organization behavioural skills and latest technical skills to meet the demands of the industry.

RHARTIMFIA 2014

BHARTIMELA (Pool Campus Interviews) was jointly organized by BOAT (Board of Apprenticeship Training), Western Zone, Mumbai and MEFGI (Marwadi Education Foundation's Group of Institutions) in the our Technical Campus premises on Saturday, 30.08.2014 from 9.00 AM onwards.

This Drive was organized with a view to facilitate a large pool of fresh Engineering Graduates/ Diploma Holders to Companies for their engagement as Apprentices on one hand also to provide a great opportunity to candidates to select the Company of their choice to undergo apprenticeship training on the other hand. The selected students will be engaged as apprentices initially and at a later date can be absorbed in to the company based on the successful completion of apprenticeship period.

13 companies registered online and 2 companies walked in to participate in the Drive. Notable among the top brands included:

- 1. Hindustan Unilever Ltd. (HUL) (Walked in)
- 2. Adani Power Ltd.
- 3. Tata Motors Ltd.
- 4. GMDC (Gujarat Mineral Development Corporation Ltd.)
- 5. GSECL (Guiarat State Electricity Co. Ltd.)
- 6. Texspin Bearings Ltd.
- 7. Gujarat Pipavav Port Ltd.
- 8. Span Power Pvt. Ltd.

Other companies included:

- (1) Echjay Industries Ltd. (2) Excel Crop Care Ltd. (3) Infinity Infoway Ltd.
- (4) Universal Softech Ltd. (5) Gujarat NRE Coke Ltd. (6) Universal Hunt,
- (7) Aashna SofTech Ltd. (8) Welspun Corpn. Ltd.

All the 8 companies conducted test/HR Interviews and shortlisted the candidates. Some of the companies collected CVs and will get in touch with the shortlisted candidates directly keeping both BOAT and Placement Office of MEFGI in loop.

1100+ Degree Holders and 100 Diploma Holders participated in the Campus Drive.

Mr. A.K. Mishra, Asst. Director, BOAT (WR), Mumbai, who was present throughout the event, giving inputs, has expressed his happiness over the arrangements and confirmed that this event will be conducted from now onwards in our Campus year after year.

HR MFFT 2014

Organizing various innovative events for the benefit of students, industry and society is a way of life at Marwadi Education Foundation. In continuation of this tradition and to take it further from where it was left after 1st successful HR Meet in 2013, Marwadi College has successfully organized an HR Meet 2014 on Sunday, 28th Sept. 2014 in its Campus.

This summit was aimed at Industry-Institute interface to bridge the gap by attempting to create a dynamic two way collaborative interface with the Industry. The meet was aimed at brainstorming on the expectation of the Industry from the students and various ways and means to reduce the time and money spent by Industry on making student Industry Ready.

The end objective of the whole summit is to arrive at solutions to raise the employability quotient of the students and to bridge the gap between the perceptions of the industry and academicians.

The HR Meet was attended by a gathering of more than 60 prominent HR Heads from various Rajkot-based industries, TPOs, and RMA officials.

MEMORANDUM OF UNDERSTANDING (MOUS)

MFFGI with IBM

Strategic understanding between IBM and MEFGI to work together to offer the University Program. The primary aim of this partnership is to aid MEFGI in establishing a high quality people repository in software technologies. This will help MEFGI teach and train their students on strategic technologies and to position them to support India's Information Technology initiative

MFFGI with CISCO

CISCO Networking Academy to train the students to learn the concepts of Computer Network and prepare them for the International Certification.

MEFGI with Bosch Rexroth India Ltd.

For establishing "Centre of Competence in Automation Technologies" in the campus of Marwadi Education Foundation's Group of Institutions – Faculty of P.G. Studies & Research in Engineering & Technology, Rajkot.

MEFGI with Jyoti CNC Automation Pvt. Ltd.

For establishing "Research Park for Advanced Automation Technologies"

MFFGI with Oracle

To enable educational institution to deliver Oracle training to students in their campus and extend opportunities to impart Oracle certified training at an affordable cost.

MEFGI with Tata Consultancy Services (TCS)

Local Infrastructure Service Provider to TCS for various online examinations conducted by TCS.

MEFGI with NSE iT

Institutional partnership with NSE.iT Ltd., a 100% subsidiary of National Stock Exchange for conducting online examinations during weekends.

MEFGI with M/s Attest Testing Services Ltd. (Aptech)

To conduct of online examinations for CMAT (Common Management Admission Test). This exam is being conducted by ATTEST on behalf of AICTE.

EMPLOYER ACCOLADES

Hats off to the TIPO team for facilitating the Pool Campus in the Marwadi Technical Campus at a short notice. The Team could manage well – be it the coordination with the Colleges across Gujarat or the facilities for the registration, Technical and HR Interviews.... Ouite impressed with the hospitality and the world class facilities.

HARISH K.I. - L&T IFS

The team Marwari helps corporate make the process of recruitment conductive and helps the organization to select best fit person for their requirement. The team Marwari have an attitude to build long term relationship with corporate and not pushing their students to get selected for the sake of increasing placement percentage. This helps us as company to get what we want without any favour or pressure. All and all a win win situation.

> SUMEET | INDAL - GHCL Limited

We have been visiting a lot many campuses for recruitment drives. But the Marwadi Education Foundation's Group of Institutions technical campus at Rajkot is in a class of its own. We are overwhelmingly impressed with the nobility and vision of the top management of the Group, the world-class Infrastructure and facilities for grooming the students, particularly the facilities in TIPO, employability skill development programs by the experienced trainers, the mentoring by the Faculty members, the online monitoring systems, the unique dress codes, and above all the hospitality arrangements during our Campus Drive. We will continue to strengthen our relations for a long time to come.

> TARUN SHAH - ACTY SYSTEM INDIA PVT. LTD., Mumbai.

The campus drive at Marwadi Technical Campus has been a very pleasant for our team. The excellent state-of-art facilities aimed at imparting the best education and grooming the corporate fit students speak volumes about the vision of the Management. Surely, the campus will emerge as one of the top-rated in the country in the next few years.

> PRIYANKA MONIZ - SEARCE

Highly impressed with the kind of state-of-the-art facilities, operational systems, learning halls, spacious central library, fully equipped computer labs, lush green ambiance in the campus, and special arrangements for the all round development of the students on campus.

The facilities in the TIPO building – be it the spacious GD or PI Rooms, the ICT enabled Seminar Hall or the hospitality arrangements are to be rated as the best in the industry. Hats off to the vision of the Top Management, for creating such an edifice of academic excellence in Saurashtra region.

> AMIT MISHRA - ASCENDUM GLOBAL IT SERVICES & SOLUTIONS

A wonderful campus with excellent infrastructure facilities. The special facilities and the efforts being put in by the Management for grooming the students to make them corporate fit, are quite laudable.

> Col. T. HEGDE - INDIAN ARMY

The Campus Drive at Marwadi Education Foundation's Technical Campus is a wonderful experience. Wow!!! Fabulous Campus with excellent facilities, systems, training cell, mentoring methodology, Quite impressed with the vision of the people behind the emerging epitome of academic excellence.

The campus is destined to be one among the top class Institutions in the country very soon. Happy to note that the management realized the importance of employability skills development and created an independent TIPO office to take of the same. This would definitely pave the way well-groomed students to be corporate fit to enter the industry in the near future.

Ms. SHRABANTI PATEL - IUST DIAL

Marwadi Technical Campus is a marvelous campus with everything in place – the infrastructure, the facilities, the learning halls, the well educated faculty, the library, the computer labs, the sports and recreation facilities, the cafeteria, and the stand alone TIPO with excellent and spacious facilities for conducting Skill Development Programs by full time trainers, pre-placement talks, group discussions, interactive sessions, personal interviews, the hospitality arrangements, etc.. The Management's vision is laudable. No wonder if the Group catapults to be one among the top-rated academic institutions in the country in the next couple of years.

> HIMANSHU JANI - ALEMBIC

We always found the Management Students whom we had recruited in the Campus Drives over the past batches have been good, sincere and trustworthy. I was impressed with the excellent infrastructure and the special efforts being put in to groom the students to make them corporate fit by the independent Training and Placement Office with outstanding facilities.

> HIMANSHU SRIVASTAVA - KOTAK MAHINDRA BANK

Our visit to the technical campus has been a memorable experience. Quite thrilled with the campus buildings surrounded by lush green ambience, full-fledged world class facilities be it the learning halls, or library or computer labs, or the training and placement office with spacious GD and PI Rooms, or the ICT enabled seminar hall. We found the students too are disciplined and eager to learn.

> SURESH AHLUWALIA - HINDUSTAN COCA-COLA BEVERAGES PVT. ITD.

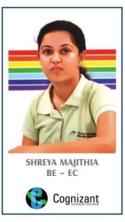

Our Pool Campus Drive at Marwadi Technical Campus in Rajkot is very well organized. All credit to the TIPO. The infrastructure, the green surroundings, the hospitality, the interaction with the students, the grooming of the students, the academic facilities, all in place. A wonderful campus with worldclass facilities.

> AJAY FAGERIA - SHRIRAM VALUE SERVICES PVT. LTD.

MESSAGE FROM PLACEMENT OFFICE

TIPO looks after the interests of the students and the recruiting organisations by acting as channel of communication between them. A database of recruiting organisations is available with the department, which is continuously updated. Students of the earlier batches have carved out a niche for themselves as assets to the organisations. This fact is reinforced by enthusiastic response from the corporate world in the form of placements. Various placement committees have been constituted for the placement of all the professional courses provided by us. These placement committees involve final year student representatives from all disciplines of Under-Graduate Courses as well as Post-Graduate Courses. Career Guidance and Personality Development Seminars, Workshops and Guest Lectures are organized regularly to improve the performance of students in job market. I feel confident that this pool of professionals will be another feature in the illustrious crown of MFFGI.

TIPO wishes all of them the very best in their future endeavours.
