Issue – 02, January 2016

Vision:

The vision of the department is to become a premier provider of excellent civil engineering education and to produce ethical, innovator and integrated technocrats who care for nature along with the development of society.

**MESSAGE FROM THE DEPARTMENT**

Civil Engineering department educates, graduates with strong basic and advance technical knowledge of all civil engineering concepts. Inculcate positive and humanistic attitude amongst the graduates being the futuristic assets of the global community and develop good leadership qualities. Encourage industry – institute – interaction activities for enhancing research, entrepreneurship and placement opportunities. Serve the construction industry; civil engineering profession and rural community through dissemination of knowledge and technical services.

## **WIPRO MISSION 10X ENGINEERING FACULTY DEVELOPMENT PROGRAM**

Faculty development program was conducted by WIPRO in order to brush up the teaching skills, sessions include innovative ideas and skills of teaching, so that one can easily communicate with students and can deliver best of what they have. This program helps faculty to break iceberg and solitude with students which helps them to reduce communication gap with student. Faculties of civil engineering department actively participated in this development program.
