Prof. S. K. Bhagvan, during his speech, stressed the importance of Graduation Day in a student's life. He has conveyed students that they need to handle more responsibilities in their professional life. He also added that all the students must need to know three languages in life i.e. mother tongue, National Language and English. Further he also added that the real challenge lies in gaining the self reputation.

Shri Arvind Benegal, has talked about importance of industry life and how to maintain integration between family life and professional life. He further explained the qualities of Good Leader and told students to maintain Integrity, Inspiration and insight throughout the life. He also added that to be a successful person everyone has to compete with themselves. He has also motivated the students to become entrepreneur after completion of study. He has also advised students to be alumni member of the institute in order to stay connected with the institution and their friends.

Different Credit System awards were distributed to the meritorious & successful students.

The presiding officer of the function Dr. Y. P. Kosta has given his valuable thoughts about the function. In his speech he talked about three important spaces of the life i.e. personal, Social, family and friends and professional space. He advised students to maintain integrity in all spaces. He also told students that the purpose of education is to understand the people. He also added further that the main three qualities that each one must have are trust, promise and relationships.

At Last Prof. Maulik Parekh, Coordinator of the whole event has thanked all the guests for providing their valuable time.

The full event was anchored by Prof. Disha Parekh and Prof. Nootan Padia. Shri Ketan Marwadi, Chairman, MEFGI and Shri Jitubhai Chandaran, Vice Chiarmen, MEFGI has congratulated Dr. R. Sridaran and his team of FCA for arranging this event.
