

Workshop on
Case Teaching and Case Writing For Management Teachers
On
18th and 19th January, 2018
Organized by Faculty of Business Management

About the workshop:

The workshop seeks to provide basic inputs of case method of teaching and learning in management education and attain required skills to write a case to participants. Day one of the workshop focuses on the application of case method as a teaching tool and its effective implementation in a class, while day two focuses on the mechanics of Case Writing and Case development.

Who can participate?

- Faculty members from Management institutes who are interested in adopting case method of teaching
- Research scholars who are willing to use case method as a part of their research.
