### **About the Company**

Company was established in 2008 by Mr. Suresh Makadia, M.E. (Civil), who has well known experience of over 35 years in this field. We Stern Testing & Consultancy Pvt. Ltd. are associated with the field of civil engineering, serving with Building Material Testing, Third Party Inspection, QATA and many more. We are NABLISO-IEC 17025:2005 accredited as well as certified by ISO 9001:2008. Also we are approved by the R&B Department of Gujarat to carry out testing services for many Govt. Departments across the state, GETCO, Airport Authorities of India, Sardar Sarovar Narmada Nigam Limited, GIDC, Municipal Corporation of Rajkot, RUDA and many more bodies to carry out testing works. We have a highly developed Material Testing Laboratory with highly modern instruments and high qualified and well experienced Technical Team. We provide testing for all building materials as well as field tests like Rebound hammer test, Ultrasonic Pulse Velocity Test, Plate load test, SBC, FDD, etc. All our instruments are well maintained and calibrated regularly as per NABL guidelines. And the testing works are carried out as per the latest Indian Standards and wherever not available, British or American standards are followed also as per the client demands.
