### ABOUT COMPANY

Anchor Electricals Pvt. Ltd., a Panasonic Eco Solutions Group company and a leading manufacturer in the country of electrical solutions of everyday use having manufacturing plants at Kutch, Haridwar and Daman and Corporate Head Quarters at Thane, Mumbai. It is a leading manufacturer of products such as switches and accessories, lamps & luminaires, wires, cables and insulation tapes, switchgear, and air moving equipment including ceiling fans. Anchor markets the top-end domotics from Ave Italy and our proud parent Panasonic, thus offering a complete basket of eco-aware products.

Anchor is solely responsible for the manufacturing and marketing of world-class eco-friendly products that have added value to the lives of people. The ideology of Panasonic's founder, 'Konosuke Matsushita' drives the everyday business at Anchor. It states that "the company must contribute to society through its business as a public entity."

Working in a truly performance driven culture with unrivalled personal development opportunities across our diverse and rapidly growing business, there is a complete scope for the potential candidates to develop within as well as outside their field of expertise. Anchor is looking for extraordinary and talented individuals who share our values and our passion for excellence; have the drive, ambition and burning desire for success at all times.
