## ABOUT THE COMPANY:

**CINDA Engineering & Construction Pvt. Ltd.** has been established in 2008 and is integrated service provider specialized in oil, gas, refineries, petrochemical, chemical, gas terminals, power, infrastructure and environmental industries. CTCI Corporation, founded in 1979 with its headquarters in Taipei, is the largest engineering, procurement, and construction (EPC) firm in Taiwan. CTCI nowadays has a strong global presence with approximately 7,000 employees stationed in more than 30 affiliates worldwide. In 2011, the paid-in capital of CTCI reached NT\$7 billion, jumping greatly from the original NT\$100 million registered in 1979. As a leading EPC contractor in Taiwan, CTCI is uniquely distinguished for its unique and great competence in delivering comprehensive services to meet customers' requirements. The service portfolio of CTCI includes engineering design, procurement, fabrication, construction, supervision, project management, and test & commissioning.
