ABOUT MEFGI

The Technical Campus at Gauriada is the first of its kind integrated Campus that is offering Professional technical education under the umbrella of MEFGI in the state of Gujarat at Rajkot. It is affiliated to Gujarat Technological University, approved by AICTE and is presently offering graduate (BE) and post-graduate (ME) courses in various disciplines of Engineering, Computer Applications (MCA) and Management (MBA + PGDM). MEFGI is a State of Art campus with an excellent infrastructure spread in 3 Acres of lush green land. Campus has more than 400 faculties.

ABOUT CIVIL ENGINEERING DEPARTMENT

Civil Engineering Department is the one of the active departments of MEFGI and is imparting quality education since 2008. The department has well qualified and experienced faculties with excellent laboratories and offering research and consultancy services. The Department runs an undergraduate programme and two post graduate programmes (M.E – Structures and Transportation). The Department has ACI-India student chapter and is a member of Hydrological Data Usage Group of Govt of Gujarat.

OBJECTIVES OF THE PROGRAMME

Transportation engineering applies scientific and technical knowledge to provide economical and efficient transportation service that meets societal needs while maintaining compatibility with environmental, energy and safety goals.

Geotechnical engineering is concerned with investigation of subsurface conditions and materials; assessing the risks posed by site conditions; designing of earthworks and structure foundations for the construction occurring on the surface or within the ground.

The primary goal of this short term course is to provide the participants with an in-depth understanding on recent trends in the area of Transportation and Geotechnical Engineering.
