COMPANY PROFILE:

Cognizant enables global enterprises to address a dual mandate: to make their current operations as efficient and cost-effective as possible, and to invest in innovation to unleash new potential across their organizations.

What makes Cognizant unique is their ability to help clients meet both challenges. They help them enhance productivity by ensuring that vital business functions work faster, cheaper and better. And, their ability to conceptualize, architect and implement new and expanded capabilities allows clients to transform legacy models to take their business to the next level.
