Company Details:

eClinicalWorks is a privately-held, profitable company that focuses on establishing long-term relationships with customers. Our software is used by doctors and their staff in smallest to the largest set up in the USA. eClinicalWorks is a leader in ambulatory clinical solutions. Our solutions extend the use of Electronic Health Records (EHR) beyond practice (clinic/hospital) walls with the latest technologies and create community-wide records. Our core products are Electronic Medical Records (EMR) and Practice Management (PM).

Saturdays and Sundays will be week-offs after the completion of the initial training period

Company would be providing door to door pick-up and drop-off facility to all the employees free of cost

The Company is a good brand and TIPO wishes the students must grab this golden opportunity to embark on a successful career.
