OFF CAMPUS DRIVE BY EMEASUREMATICS (For MEFGI Students Only)

Company Profile:

Established in year 2000, eMeasurematics provides consultancy, designs systems and builds customized hardware and software applications to meet the most demanding and challenging needs of various metal and steel plants.

Our clientele is spread across India, North America, EU, Middle East and Asia.

From single line service centres for metal processing, scrap yards to completely integrated plants, we provide the right solution for online measurements, material tracking, L2 Software, large complex yard/warehouse management systems and much more.

eMeasurematics partners with various world leaders from EU and USA as their representatives in India. Our products line include:

- Slab & Coil Yard Management Systems
- Plate Yard Management Systems
- Special Purpose Crane Weighing
- Container Tracking
- Anti-Collision Solutions for Cranes
- Auto Truck Positioning Solutions under Quay Cranes
- Scrap Yard Management System

We are proud to be the pioneers in Yard Management Systems/Warehouse management Systems for Top Steel Industries like JSW, Essar Steel, Tata Steel etc.
