### About the Company

Medha Servo Drives Pvt. Ltd., founded in 1984, is focused on rail transportation. Since inception, Medha has used Research and Development as a tool for success and today we are proud to be known for our product range, domain knowledge, design expertise, quality and manufacturing capabilities. Starting from humble beginning, over the last 30 years our company has grown to employ over 2000 talented people whose commitment has led to a sales revenue of INR 6.24 billion for the year 2014-15, with the revenues growing at the rate of 43% year over year for the past ten years. Medha's vision is to become world leader in railway products and to achieve this we specialize in three areas, Control Electronics, Power Electronics and safety critical Signalling.
