### ABOUT COMPANY

Mirage Ceramics, a pioneer of vitrified tiles manufacturing in India, is a dynamic business house that has evolved over two decades. The company has grown from being one of the largest importers of ceramic wall tiles in India to being an iconic symbol of artistry and creativity in tiles manufacturing and flooring solutions.

Mirage is a testimony to the company's ever-growing passion for innovative styles, futuristic surfaces led by time-tested quality benchmarks and cutting-edge manufacturing expertise. For the new age consumer, Mirage brings the widest spectrum of ceramic products and solutions to complement discerning tastes and definitive lifestyles.

The collections at Mirage, inspired by various trends across the world, are borne out of international synergies between design, craft and development. As of today, Mirage has successfully mirrored International trends across product categories in India.
