Other details:

Selected candidates are required to sign 15 months of contract with the company (Up to 3 months training + 1 year of job). Please note that no stipend would be provided to candidates during their training period. Salary would start getting processed only once a candidate has successfully completed his/her training and gets job confirmation. However, job confirmation of candidate would strictly depend on their performance during training.

The Company is a good brand and TIPO wishes the students must grab this golden opportunity to embark on a successful career.
