About the Company

Nikita Engineers was started in 2008 to cater the service to conserve the Nature productively. We joined hands with Environmental Consultant Companies in the field of Water/Waste Water Treatment and Sewage Treatment. We undertake Trunkey projects with special emphasis on providing high quality Operation & Maintenance Services.

Being in the Industry for several years, we have been supplying and exporting different types of Industrial Pumps & Valves, Filter Press, Process Equipments and Industrial Furness through our associate companies.
