## **CAMPUS DRIVE NOTICE of SAFEX ENERGY PVT LTD** (Only for MEFGI Students)

### **About the Company:**

SAFEX, the leading manufacturers of cranes in India are the Pioneers in the manufacturing of Material Handling Equipment in the country. Today SAFEX's name is synonymous with heavy lifting. An array of SAFEX cranes have been supplied all over India. Each crane a creative solution to special handling problem. Whatever may be the type of your industry or its unit load handling requirements, every possibility exists that SAFEX has the most pertinent solution in the form of a suitable Hoist or Crane.

From most simple to extremely challenging requirements, you will find SAFEX solutions working efficiently practically everywhere. In automobile plants, engineering industries, process plants, infrastructure projects (construction, power, metro rail, shipyards, steel, etc.) and in thousands of SMEs.

SAFEX systems are literally spanning the length and breadth of the nation.
