About the Company

The beginnings of Shroff & Associates (Engineers) Pvt. Ltd. can be traced to Shroff Consultancy Services - an Engineering Services firm that was started by Shri Jayesh Shroff after his 6.5 year stint with Knik Chemical Engineers Pvt. Ltd. After leaving Knik, he had spent two years on an assignment setting up a plant for M/s. S.R.Drug Pvt. Ltd. a Chemical Plant at Lote Parshuram in the state of Maharashtra. The fledgling business took off with the enthusiasm and never say die attitude of Mr. Shroff and his small but dedicated team of engineers and draftsman.

Over a time two of his friends Mr. V.M.Karve, an expert in Mechanical Design of Fabricated Equipment and Mr. R.H.Barve, expert in Piping Design joined him to expand the business.

With the expansion of business, it was time to incorporate the business entity as a Pvt. Ltd. Company and this came to pass on 15th of November, 1989 & Company under Name & Style of M/s. Shroff & Associates (Engineers) Pvt. Ltd. was incorporated.
